## SKB Roto X Shipping Cases

SKB Roto X shipping containers are rotationally moulded for maximum strength and impact resistance.

The Roto X pattern ensures they can stack securely for efficient transport and storage. Supplied empty.

### Features:

- spring-loaded 90° handles - recessed for protection
- recessed, heavy-duty twist latches which can accommodate a padlock

**Caster Kit** - Four x 4" casters - available on most models

### Applications:

- heavy equipment transport
- machine parts and military gear
- boat gear, fishing equipment
- fire, rescue and first aid equipment

**Prices** shown on the website are for single cases and include delivery within mainland UK.

**Discounts** available for quantity orders on all sizes – please contact us for a quote.

**Delivery** of stock shipping cases is approximately 4-5 working days.
