## Plastic Injection Moulded Cases

Plastic Injection Moulded Cases - lightweight but hard-wearing, ideally suited for a wide variety of uses including promotional, presentation, sample cases, long life packaging and tool cases.

### Features

- injection moulded polypropylene
- available in eight sizes
- two catches
- metal pin hinges
- removable ladder hinge which holds lid at 90°
- unaffected by oils or petrol chemicals

### Colours

Available in eight colours - black, white, grey, navy blue, royal blue, yellow, green and red.

Normally supplied with matching colour catches - different colour catches available on request.

### Interiors

Supplied empty or fitted with one or two foam pads.

| Product | Internal W x H x D | External W x H x D | Lid Depth | Case Depth |
|---------|--------------------|--------------------|-----------|------------|
